John Hart creates a literary thriller that is as suspenseful as it is poignant, a riveting murder mystery layered beneath the southern drawl of a humble North Carolina lawyer. When Work Pickens finds his father murdered, the investigation pushes a repressed family history to the surface and he sees his

own carefully constructed façade begin to crack. Work's troubled sister, her combative girlfriend, his gold digging socialite wife, and an unrequited lifelong love join a cast of small town characters that create no shortage of drama in this extraordinary, fast-paced suspense novel. Hart's mastery of prose and plot belie his newcomer status as he explores the true heart of a man. An illuminating anatomy of a murder and the ripple effect it produces within a family and a community, *The King of Lies* is a stunning debut. Now with an excerpt from John Hart's next book *The Hush*, available February 2018.

Set in the world of his most beloved novel *The Last Child* (“A magnificent creation” —The Washington Post), John Hart delivers a stunning vision of a secret world, rarely seen. “Hart evokes that surreal landscape with a power and economy worthy of the great British horror novelist Ramsey Campbell.” —Washington Post New York Times bestseller It’s been ten years since the events that changed Johnny Merrimon’s life and rocked his hometown to the core. Since then, Johnny has fought to maintain his privacy, but books have been written of his exploits; the fascination remains. Living alone on six thousand acres of once-sacred land, Johnny’s only connection to normal life is his old friend, Jack. They’re not boys anymore, but the bonds remain. What they shared. What they lost. But Jack sees danger in the wild places Johnny calls home; he senses darkness and hunger, an intractable intent. Johnny will discuss none of it, but there are the things he knows, the things he can do. A lesser friend might accept such abilities as a gift, but Jack has felt what moves in the swamp: the cold of it, the unspeakable fear. More than an exploration of friendship, persistence, and forgotten power, *The Hush* leaves all categories behind, and cements Hart's status as a writer of unique power.

Down River is the winner of the 2008 Edgar Award for Best Novel. Everything that shaped him happened near that river.... Now its banks are filled with lies and greed, shame, and murder.... John Hart's debut, *The King of Lies*, was compelling and lyrical, with Janet Maslin of *The New York Times* declaring, "There hasn't been a thriller as showily literate since Scott Turow came along." Now, in *Down River*, Hart makes a scorching return to Rowan County, where he drives his characters to the edge, explores the dark side of human nature, and questions the fundamental power of forgiveness. Adam Hase has a violent streak, and not without reason. As a boy, he saw things that no child should see, suffered wounds that cut to the core and scarred thin. The trauma left him passionate and misunderstood---a fighter. After being narrowly acquitted of a murder charge, Adam is hounded out of the only home he's ever known, exiled for a sin he did not commit. For five long years he disappears, fades into the faceless gray of New York City. Now he's back and nobody knows why, not his family or the cops, not the enemies he left behind. But Adam has his reasons. Within hours of his return, he is beaten and accosted, confronted by his family and the women he still holds dear. No one knows what to make of Adam's return, but when bodies start turning up, the small town rises against him and Adam again finds himself embroiled in the fight of his life, not just to prove his own innocence, but to reclaim the only life he's ever wanted. Bestselling author John Hart holds nothing back as he strips his characters bare. Secrets explode, emotions tear, and more than one person crosses the brink into deadly behavior as he examines the lengths to which people will go for money, family, and revenge. A powerful, heart-pounding thriller, *Down River* will haunt your thoughts long after the last page is turned. Praise for John Hart and *The King of Lies* "Treat yourself to something new and truly out of the ordinary." ---*Rocky Mountain News* "A top-notch debut. Hart's prose is like Raymond Chandler's, angular and hard." --*Entertainment Weekly* (grade A) "A gripping performance." ---*People* magazine "A marriage of carefully crafted prose alongside have-to-keep-reading suspense." ---*The Denver Post* "A masterful piece of writing." ---*The News & Observer* (Raleigh, NC) "A gripping mystery/thriller and a fully fleshed, thoughtful work of literature." ---*Winston-Salem Journal* "*The King of Lies* moves and reads like a book on fire." ---Pat Conroy "John Hart's debut . . . is that most engrossing of rarities, a well-plotted mystery novel that is written in a beautifully poetic style." ---Mark Childress, author of *Crazy in Alabama* "Grisham-style intrigue and Turow-style brooding." ---*The New York Times* Now with an excerpt from John Hart's next book *The Hush*, available in February 2018.
