## RIGGS HESTER

---

Harper's Story Books SUNY Press

Abstracts of journal articles, books, essays, exhibition catalogs, dissertations, and exhibition reviews. The scope of ARTbibliographies Modern extends from artists and movements beginning with Impressionism in the late 19th century, up to the most recent works and trends in the late 20th century. Photography is covered from its invention in 1839 to the present. A particular emphasis is placed upon adding new and lesser-known artists and on the coverage of foreign-language literature. Approximately 13,000 new entries are added each year. Published with title LOMA from 1969-1971.

**Arts & Humanities Citation Index** Metropolitan Museum of Art

Offers the most comprehensive collection of Basho's prose available, beautifully translated into English.

It Rhymes with Lust BRILL

It's a cold town of metal, greed, intrigue, and of course lust. Hal Weber, a handsome, downtrodden newspaperman has come to Copper City at the behest of his former lover Rust Masson. Now the widow of the town's political power house Rust intends to seize all power in this mining town. She's greedy, heartless, and calculating. She knows what she wanted and is ready to use cold-blooded violence and to sacrifice anything to get. In this adult-oriented film noir and pulp fiction inspired romance of a potboiler, bubbling over with greed, sex, and political corruption can Hal expose Rust and her machinations.

Monet & Japan Courier Corporation

A thousand years ago, a young Japanese girl embarked on a journey from deep in the countryside of eastern Japan to the

capital. Forty years later, with the long account of that journey as a foundation, the mature woman skillfully created an autobiography that incorporates many moments of heightened awareness from her long life. Married at age thirty-three, she identified herself as a reader and writer more than as a wife and mother; enthralled by fiction, she bore witness to the dangers of romantic fantasy as well as the enduring consolation of self-expression. This reader's edition streamlines Sonja Arntzen and Moriyuki Itō's acclaimed translation of the *Sarashina Diary* for general readers and classroom use. This translation captures the lyrical richness of the original text while revealing its subtle structure and ironic meaning, highlighting the author's deep concern for Buddhist belief and practice and the juxtaposition of poetic passages and narrative prose. The translators' commentary offers insight into the author's family and world, as well as the style, structure, and textual history of her work.

**Andon** Franklin Classics

Japan's Meiji Restoration brought swift changes through Japanese adoption of Western-style modernization and imperial expansion. *Fanning the Flames* brings together a range of scholarly essays and collected materials from the Hoover Institution Library & Archives detailing how Japanese propaganda played an active role in fostering national identity and mobilizing grassroots participation in the country's transformation and wartime activities, starting with the First Sino-Japanese War to the end of World War II.

A biographical dictionary which profiles over 30,000 individuals, including birth and death dates, major accomplishments, and

historical influence.

*The Sarashina Diary* Weatherhill, Incorporated

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*Art In Focus, Student Edition* HarperPerennial

A gorgeous, full-scale reproduction of a rare, early 20th century book of Japanese tattoo designs. Accompanied by a lushly illustrated introductory essay detailing the book's mysterious origins and curious history. Around 1900, during the late Meiji era, an anonymous Japanese tattoo artist painted dozens of extraordinary tattoo designs on the silk pages of a small homemade book: writhing, bearded dragons; elegant geishas; eagles and snakes locked in midair combat; meticulously observed cranes on the wing; a spider in his web, awaiting prey. Within a decade, this enigmatic volume had become the prized possession of an Arkansas farmer and amateur tattooer whose travels never took him beyond the South Central states. Floating

West reproduces the original book of designs in its entirety, making a singular object of tattoo history available to artists, enthusiasts, and historians worldwide.

*One Hundred Aspects of the Moon* Rowman & Littlefield  
2022 Reprint of the 1925 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition software. This is a book of allegories setting forth in story form the spiritual mysteries of life. Its message is for the heart rather than the mind, and its purpose is to call forth certain definite mystical attitudes latent in every person. Each chapter is accompanied by appropriate illustration.

*ABM Brill Hotei*

With its vivid descriptions of courtly society, gardens, and architecture in early eleventh-century Japan, *The Tale of Genji*—recognized as the world's first novel—has captivated audiences around the globe and inspired artistic traditions for one thousand years. Its female author, Murasaki Shikibu, was a diarist, a renowned poet, and, as a tutor to the young empress, the ultimate palace insider; her monumental work of fiction offers entry into an elaborate, mysterious world of court romance, political intrigue, elite customs, and religious life. This handsomely designed and illustrated book explores the outstanding art associated with *Genji* through in-depth essays and discussions of more than one hundred works. *The Tale of Genji* has influenced all forms of Japanese artistic expression, from intimately scaled albums to boldly designed hanging scrolls and screen paintings, lacquer boxes, incense burners, games, palanquins for transporting young brides to their new homes, and even contemporary manga. The authors, both art historians and

*Genji* scholars, discuss the tale's transmission and reception over the centuries; illuminate its place within the history of Japanese literature and calligraphy; highlight its key episodes and characters; and explore its wide-ranging influence on Japanese culture, design, and aesthetics into the modern era. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Verdana}

Fanning the Flames Hotei Publishing

A wealth of information about herbal remedies native to the Southwest, infused with wisdom, wit, and personal reminiscences.

*The Tale of Genji* Prestel

Student workbook

**The Ways of the Lonely Ones** Weatherhill, Incorporated

Oei is the daughter of the great Japanese printmaker Hokusai. Long consigned to a minor role as gloomy sidekick, she is barely a footnote in the historical record. Here, Oei recounts her life with one of the great eccentrics of the 19th century. Dodging the Shogun's spies, she and Hokusai live amongst actors, novelists, tattoo artists and prostitutes, making the exquisite pictures that define their time. Disguised, they escape the city gates to view waves and Mount Fuji. But they return to enchanting, dangerous Edo (Tokyo), the largest city in the world. Wielding her brush, Oei defies all expectations of womanhood-- all but one. She is dutiful until death to the exasperating father who created her and, ultimately, steals her future. A breathtaking work of imagination, *The Ghost Brush* illuminates the most tender and ambiguous love of all--that between father and daughter.

[The Ghost Brush](#) McGraw-Hill Education

*The Five Continents of Theatre* undertakes the exploration of the material culture of the actor, which involves the actors' pragmatic relations and technical functionality, their behaviour, the norms and conventions that interact with those of the audience and the society in which actors and spectators equally take part.
