Some People Call Me Crazy. I Prefer 'happy with a Twist' Createspace Independent Publishing Platform

From Adventures of a Psychic "When I lived in Mesa, Arizona an eighteen-year-old went missing. Police teams were frustrated because they could not find the body. She had gone on her first date. Sheriff Joe had summoned many psychics to try to solve the mystery and they were sending the police in areas I knew were not accurate. "I kept demanding that she was in Paradise Valley, a rich upscale neighborhood near Scottsdale. They reluctantly went there and found her body in a garbage dumpster. She had been badly raped and

cut up in pieces. I felt relief since her family had been suffering for nearly 10 days not knowing where their daughter was. It gave them peace of mind knowing they could begin the process of closure in this horrific tragedy. "This was my first and last time solving crimes. "The reason that working on crime scenes is so difficult is that I am an empath. An empath feels everything involved in the crime. I decided I would leave crime solving to the justice department." So writes author and psychic Marsha Lord in this riveting memoir that is equal parts biography, adventure tale and exposition of the intuitive powers she inherited from her grandmother and father. Her life experiences take her from Woodstock to Kent State to travels abroad as she

shares her gift and insights. "Psychics are merely human beings with a special gift that they constantly give away," writes Marsha Lord. "It's a chance for me to pay it forward."

*Call Me Crazy* AMACOM ONE OF USA TODAY'S "20 SUMMER BOOKS YOU WON'T WANT TO MISS" In the bestselling tradition of works by such authors as Susan Orlean and Mary Roach, a New York Times reporter and Pulitzer Prize finalist explores why so many people—including herself—are obsessed with horses. It may surprise you to learn that there are over seven million horses in America—even more than when they were the only means of transportation—and nearly two million horse owners. Acclaimed journalist and avid equestrian Sarah Maslin

Nir is one of them; she began riding horses when she was just two years old and hasn't stopped since. *Horse Crazy* is a fascinating, funny, and moving love letter to these graceful animals and the people who—like her—are obsessed with them. It is also a coming-of-age story of Nir growing up an outsider within the world's most elite inner circles, and finding her true north in horses. Nir takes readers into the lesser-known corners of the riding world and profiles some of its most captivating figures. We meet Monty Roberts, the California trainer whose prowess earned him the nickname "the man who listens to horses," and his pet deer; George and Ann Blair, who at their riding academy on a tiny island in Manhattan's Harlem River seek to resurrect the erased legacy of the African American cowboy; and Francesca Kelly, whose love for an Indian nobleman shaped her life's mission: to protect an endangered Indian breed of horse and bring them to America. Woven into these compelling character studies, Nir shares her own moving personal narrative. She details her father's

harrowing tale of surviving the Holocaust, and describes an enchanted but deeply lonely upbringing in Manhattan, where horses became her family. She found them even in the middle of the city, in a stable disguised in an old townhouse and in Central Park, when she chased down truants as an auxiliary mounted patrol officer. And she speaks candidly of how horses have helped her overcome heartbreak and loss. Infused with heart and wit, and with each chapter named after a horse Nir has loved, *Horse Crazy* is an unforgettable blend of beautifully written memoir and first-rate reporting.

"[Goulston's] ideas are a bit counter-intuitive but they really do shift the dynamic and help people diffuse and disarm the irrational person leading to more positive

outcomes." -- Online MBA Because some people are beyond difficult... Let's face it, we all know people who are irrational. No matter how hard you try to reason with them, it never works. So what's the solution? How do you talk to someone who's out of control? What can you do with a boss who bullies, a spouse who yells, or a friend who frequently bursts into tears? In his book, *Just Listen*, Mark Goulston shared his bestselling formula for getting through to the resistant people in your life. Now, in his breakthrough new book *Talking to Crazy*, he brings his communication magic to the most difficult group of all—the downright irrational. As a psychiatrist, Goulston has seen his share of crazy and he knows from experience that you can't simply argue it away. The key to handling irrational people is to learn to lean into the crazy—to empathize with it. That radically changes the dynamic and transforms you from a threat into an ally. *Talking to Crazy* explains this counterintuitive Sanity Cycle and reveals: Why people act the way they do • How instinctive responses can exacerbate

the situation—and what to do instead • When to confront a problem and when to walk away • How to use a range of proven techniques including Time Travel, the Fish-bowl, and the Belly Roll • And much more You can't reason with unreasonable people—but you can reach them. This powerful and practical book shows you how.

Switched on Pop Penguin A School Library Journal Best Book of 2020 It's time to bare it all about bodies! We all experience the world in a body, but we don't usually take the time to explore what it really means to have and live within one. Just as every person has a unique personality, every person has a unique body, and every body tells its own story. In *Body Talk*, thirty-seven writers, models, actors, musicians, and artists share essays, lists, comics, and illustrations—about everything from size and shape to scoliosis, from eating disorders to cancer, from sexuality and gender identity to the use of makeup as armor. Together, they contribute a broad variety of perspectives on what it's like to live in their particular bodies—and how their bodies have

helped to inform who they are and how they move through the world. Come on in, turn the pages, and join the celebration of our diverse, miraculous, beautiful bodies!

**Call Me Crazy** Hachette Books

In this groundbreaking guide, the prominent therapist Dr. Robin Stern shows how the Gaslight Effect works, how you can decide which relationships can be saved and which you have to walk away from—and how to gasproof your life so you'll avoid gaslighting relationship. Your husband crosses the line in his flirtations with another woman at a dinner party. When you confront him, he asks you to stop being insecure and controlling. After a long argument, you apologize for giving him a hard time. Your mother belittles your clothes, your job, and your boyfriend. But instead of fighting back, you wonder if your mother is right and figure that a mature person should be able to take a little criticism. If you think things like this can't happen to you, think again. Gaslighting is an insidious form of emotional abuse and manipulation that is difficult to recognize and

even harder to break free from. Are you being gaslighted? Check for these telltale signs: 1) Does your opinion of yourself change according to approval or disapproval from your spouse? 2) When your boss praises you, do you feel as if you could conquer the world? 3) Do you dread having small things go wrong at home—buying the wrong brand of toothpaste, not having dinner ready on time, a mistaken appointment written on the calendar? 4) Do you have trouble making simple decisions and constantly second guess yourself? 5) Do you frequently make excuses for your partner's behavior to your family and friends? 6) Do you feel hopeless and joyless? Crazy Is a Compliment Algonquin Young Readers Some people call me crazy. I prefer 'happy with a twist' 6 x 9 notebook or journal blank lined pages paperback, matte cover funny quote on cover Perfect gift for funny friends and family **(Don't) Call Me Crazy** Crossway Reveals how companies like GE and Burberry have broken the corporate mould, and introduces us to entrepreneurs like Leila Velez, who started a

multi-million hair-care company from her kitchen sink in Rio.

*My Kind of Crazy* Lulu.com  
This book is not pleasant. Nor is it simple, relaxing, easy, or fun. Because life with mental illness is none of those things. It is painful, complex, and challenging. But it's also other things. Inspiring. Beautiful. Meaningful. And most of all, important. Life in those experiencing mental illness is important. For all of us. There are hundreds of books on mental illness. The super optimistic ones that totally lie about everything. The ones that read like a medical undergrad's essay. Ones that claim to teach the catch-all, miraculous cure based only on what you believe. The book in your hands is none of those. This is the story of life with mental illness. No holds barred. No sugar coating. No fluff. No crazy-sounding fake solutions. Just the world through the eyes of someone living with mental illness.

**Running from a Crazy Man (and Other Adventures Traveling with Jesus)** Hay House, Inc

"This isn't a book for the happily comfortable. This is a book for the restless Jesus lover, the

longsuffering disciple, the openhearted believer. Be forewarned. The challenges inside are designed to unsettle you as well as provide practical suggestions for thriving on the narrow road even if trouble is your travel companion."-- Page 4 of cover.

"An anthology of essays and illustrations that illuminate mental health topics in a straightforward way"--

*Some People Call Me Crazy. I Prefer The Term "Happy With A Twist."* Beacon Press

Some love stories aren't meant to last Stella lives with depression, and her goals for junior year are pretty much limited to surviving her classes, staying out of her parents' constant fights and staving off unwanted feelings enough to hang out with her friends Lin and Katie. Until Kevin. A quiet, wry senior who understands Stella and the lows she's going through like no one else. With him, she feels less lonely, listened to—and hopeful for the first time since ever... But to keep that feeling, Stella lets her grades go and her friendships slide. And soon she sees just how

deep Kevin's own scars go. Now little arguments are shattering. Major fights are catastrophic. And trying to hold it all together is exhausting Stella past the breaking point. With her life spinning out of control, she's got to figure out what she truly needs, what's worth saving—and what to let go.

*White Fragility* Lighthouse Publishing ()

Kim Clement has had many critics over the years, but the movers and shakers in the world are sitting up and taking notice of this out of the box prophet. In his new book, Kim shares some of the amazing stories of accurate prophecies that God has been giving him. The personal words shared with individuals in his meetings are incredible enough, but the words he has been given on a national and even worldwide scale lift him into a realm not shared by many. His passion expressed here is to make it clear that anyone can hear and be the voice of God in the earth.

**Don't Call Me Crazy** Penguin

Who's Crazy? What does it mean to be crazy? Is using the word crazy offensive? What happens when such a label gets

attached to your everyday experiences? In order to understand mental health, we need to talk openly about it. Because there's no single definition of crazy, there's no single experience that embodies it, and the word itself means different things—wild? extreme? disturbed? passionate?—to different people. (Don't) Call Me Crazy is a conversation starter and guide to better understanding how our mental health affects us every day. Thirty-three writers, athletes, and artists offer essays, lists, comics, and illustrations that explore their personal experiences with mental illness, how we do and do not talk about mental health, help for better understanding how every person's brain is wired differently, and what, exactly, might make someone crazy. If you've ever struggled with your mental health, or know someone who has, come on in, turn the pages, and let's get talking.

People Say I'm CRAZY!

(Original 1989

Anthology/Documentary)

Penguin

A beautifully written and evocative memoir of pain and redemption, of hurt and healing, from an

actress whose private life and personal choices have made her a household name. "My life is a life movies are made of," wrote Anne Heche in the proposal for her memoir. Yet what is truly surprising about Heche is that the most publicized event of her past -- her romance with Ellen DeGeneres -- is only one development in a fascinating and difficult life that has included more than its share of heartache and tragedy. Heche's memoir reveals the woman behind the headlines, one who has conquered overwhelming odds. Far from a celebrity memoir, this is an empowering and thought-provoking book guaranteed to surprise and inspire.

*Call Me Crazy* Wendy Lamb Books

Soon to be a major motion picture "Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unmangled! O Bunny you are sooo genius!" —Margaret Atwood, via Twitter "A wild, audacious and ultimately unforgettable novel." —Michael Schaub, Los Angeles Times "Awad

is a stone-cold genius." —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of *13 Ways of Looking at a Fat Girl*. "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich girls who call each other "Bunny," and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled "Smut Salon," and finds herself inexplicably drawn to their front door--ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus "Workshop"

where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Named a Best Book of 2019 by TIME, Vogue, Electric Literature, and The New York Public Library

**The Course in Miracles Experiment** Algonquin Young Readers

"An utterly delightful epistolary romance....The Impossible Us is that rare 'I laughed, I cried' book."--The New York Times Nick: Failed writer. Failed husband. Dog owner. Bee: Serial dater. Dress maker. Pringles enthusiast. One day, their paths cross over a misdirected email. The connection is instant, electric. They feel like they've known each other all their lives. So they decide to meet. While Nick buys a new suit, and gets his courage up, Bee steps away from her desk, and sets off to meet him at a London train station. With their happily-ever-

after nearly in hand, what happens next is incredible and threatens to separate them forever. As their once in a lifetime connection is tested, Nick and Bee will discover whether being together is an impossible chance worth taking.

Washington Post Notable Book of the Year \* People Magazine Best Book of the Year \* Shelf Awareness Best Book of the Year \*

"Extraordinary and courageous . . . No doubt if everyone were to read this book, the world would change."---New York Times Book Review New York Times-bestselling author Ron Powers offers a searching, richly researched narrative of the social history of mental illness in America paired with the deeply personal story of his two sons' battles with schizophrenia. From the centuries of torture of "lunatics" at Bedlam Asylum to the infamous eugenics era to the follies of the anti-psychiatry movement to the current landscape in which too many families struggle alone to manage afflicted love ones, Powers limns our fears and myths about

mental illness and the fractured public policies that have resulted. Braided with that history is the moving story of Powers's beloved son Kevin--spirited, endearing, and gifted--who triumphed even while suffering from schizophrenia until finally he did not, and the story of his courageous surviving son Dean, who is also schizophrenic. A blend of history, biography, memoir, and current affairs ending with a consideration of where we might go from here, this is a thought-provoking look at a dreaded illness that has long been misunderstood.

**That's Mental** Oxford University Press, USA  
 "The Summer Seekers is the ultimate road trip book."—Susan Wiggs, #1 New York Times bestselling author Get swept into a summer of sunshine, soul-searching and shameless matchmaking with this delightfully bighearted road-trip adventure by USA TODAY bestselling author Sarah Morgan! Kathleen is eighty years old. After she has a run-in with an intruder, her daughter wants her to move into a residential home. But she's not having any of it. What she

craves—what she needs—is adventure. Liza is drowning in the daily stress of family life. The last thing she needs is her mother jetting off on a wild holiday, making Liza long for a solo summer of her own. Martha is having a quarter-life crisis. Unemployed, unloved and uninspired, she just can't get her life together. But she knows something has to change. When Martha sees Kathleen's advertisement for a driver and companion to share an epic road trip across America with, she decides this job might be the answer to her prayers. She's not the world's best driver, but anything has to be better than living with her parents. And traveling with a stranger? No problem. Anyway, how much trouble can one eighty-year-old woman be? As these women embark on the journey of a lifetime, they all discover it's never too late to start over... Don't miss USA Today bestselling author Sarah Morgan's next cozy beach read, *The Summer Swap*, where a widow's plan to spend the summer in Cape Cod is

upended by an unexpected guest and a secret that could change everything... Get lost in more captivating stories by Sarah Morgan: *The Summer Swap* - Coming May 2024! *The Book Club Hotel* *The Island Villa* *Snowed In For Christmas* *Beach House* **Summer Imagine Us Happy** Simon & Schuster "Like *A Wrinkle in Time* (Miranda's favorite book), *When You Reach Me* far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The

notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe-Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read *L'Engle's*, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review
