"A WALK THROUGH

TIME... Philadelphia-where more than three centuries of history come alive-is not one but several cities and you can experience all of them if you know where to look. Tucked amid the glass-and-steel skyscrapers stand the brick-and-mortar buildings of the colonial and Federal periods as well as blocks of homes from the Civil War Era and the Age of Victoria. The Philadelphia

Inquirer's Walking Tours of Historic Philadelphia takes history buffs on twelve walking tours through different city neighborhoods, visiting venerable buildings, quaint cobblestone streets, tiny courtyard gardens, magnificent parks, and out-of-the-way places that were part of the city's storied past. Arranged to help readers follow a logical path from site to site, the book includes maps, information about which sites can be toured, and tips on parking, public

transportation, and nearby restaurants. The Philadelphia Inquirer's Walking Tours of Historic Philadelphia is the definitive resource for readers who want to stand in the spot where William Penn first set foot in his new city, follow in the footsteps of Washington, Jefferson, Adams, and Franklin, and explore grand Victorian-era buildings that remain a vibrant part of life here. Included are tours of the Independence Hall area, Society Hill, Penn's Landing, Rittenhouse

Square, Fairmount Park, Germantown, and much more. This is an indispensable guide for visitors to Philadelphia, for residents who want to know more about their city's past, and for anyone who is interested in the history of one of our country's oldest and greatest cities"--

Over the past two decades, Pulitzer Prize-winning architecture critic Inga Saffron has served as the premier chronicler of Philadelphia's transformation as it emerged from a half

century of decline. *Becoming Philadelphia* collects the best of Saffron's work, as she explores the tangled intersections of design, politics, and money at the heart of the city's resurgence.

Superman's Not Coming  
New York Review of Books  
A "deeply moving survey of the great civic structures that Philadelphia erected, then neglected."—Philadelphia Inquirer "An aesthetic masterpiece—most relevant and revealing for our time."—Robert Venturi

With the photographs in this book, Vincent Feldman offers Philadelphians a testament of who we were, who we are, and who we are likely to become. Some of his subjects have succumbed to neglect or demolition (the Ridge Avenue Farmers' Market, for example); some have been successfully rehabilitated to new uses (the Victory Building); while others remain in limbo in their ruined states—their futures far from secure. Yet besides

recording the current state of the buildings, Feldman's photographs can play an active role in their preservation and renovation. His photos can serve, not only as documentary records, but also as catalysts for the rescue and rehabilitation of some of Philadelphia's most significant and neglected "abandoned" city architecture. "By focusing on buildings that embody the civic aspirations of decades past and by portraying them in such stark terms, Vincent Feldman has

created a body of work that is a vivid reminder of the fragile nature of what we have inherited and the need to remain ever diligent in its preservation."—John Andrew Gallery, "On Vincent Feldman's Philadelphia" "[Feldman's] images move us to a deeper feeling and understanding of the city, as they pose important questions about our stewardship and the city's future. It's the story of a city on the edge, and we're glad to be along for this freeze-frame journey

of photographic brinksmanship."—Kenneth Finkel, "Looking at the Past" "By inviting you to look carefully at buildings from Philadelphia's past, I hope to promote inquiry about our history and also to inspire thoughtful discussion about what we might do for our future."—Vincent D. Feldman, from his Introduction "[Vincent] Feldman is not the kind of photographer who shoots and runs. An old-school craftsman, he uses a large-format view camera much like the one Mathew

Brady hauled around to record the devastation of the Civil War. Feldman then retreats to the darkroom to print his images on paper, rendering them with such precision that bricks and stones appear to leap from the page in three-dimensional relief."—Inga Saffron, Philadelphia Inquirer The Wall Street Journal writes that the images of City Abandoned are "a melancholy catalog of such civic failures. In understated compositions that transcend merely local appeal, [Feldman]

documents schools, theaters, hotels and churches left to deteriorate even as Philadelphia's downtown has boomed."

The Civilized Shopper's Guide to Edinburgh and Glasgow W. W. Norton & Company

From the environmental activist, consumer advocate, and renowned crusader—a stirring call to action that gives us the tools we need to take action ourselves, to make our voices heard, to ensure our water is safe, and to finally bring about

change. Clean water is as basic to life on planet Earth as hydrogen or oxygen. In her long-awaited book—her first to reckon with the condition of water on our planet—Erin Brockovich shows us what’s at stake. She writes powerfully of the fraudulent science disguising our national water crisis: Cancer clusters are not being reported. People in Detroit and the state of New Jersey don’t have clean water. The drinking water for more than six million Americans contains

unsafe levels of industrial chemicals linked to cancer and other health issues. The saga of PG&E continues to this day. Yet communities and people around the country are fighting to make an impact, and Brockovich tells us their stories. In Poughkeepsie, New York, a water operator responded to his customers’ concerns and changed his system to create some of the safest water in the country. Local moms in Hannibal, Missouri, became the first citizens in the nation to

file an ordinance prohibiting the use of ammonia in their public drinking water. Like them, we can each protect our right to clean water by fighting for better enforcement of laws, new legislation, and stronger regulations.

Named the top shopping destination in the United Kingdom outside of London, “Glasgow is a must-see destination...a mandatory stop on everyone’s European travel itinerary” (The Philadelphia Inquirer) and

Edinburgh has long been considered one of the most hospitable cities in Europe. This book has eleven walks—seven in Edinburgh and four in Glasgow—taking shoppers to the most charming and unique stores in both cities, which are less than an hour away from each other by train. The shops included offer cashmere, hats, shoes, books, handcrafted soaps and natural botanicals inspired by Scotland (Treasure Island is a heady mix of musk, lemon, and cinnamon inspired by the

Robert Louise Stevenson classic), single malt whiskies, purses, the best of British home design, and jewelry using Scottish gemstones. There are shops that specialize in traditional foods (farmhouse cheeses, toffee, shortbread, and lemon curd). There's a "glorious mess of an antique shop," a "kilt maker for the 21st century" who uses fabrics that range from denim to leather and whose customers include Sean Connery, and many more establishments, both new

and historic. Old businesses aren't included simply for being old, but for continuing to offer goods of beauty and quality; new businesses are chosen because they operate in an old-fashioned way, with an emphasis on service and craftsmanship. Some are elegant and refined, some offer on quirky twists on classic themes, but each is stylish and without pretense. One shop owner says her boutique attracts the "discerning and determinedly different." The guide also includes

restaurants, pubs, and cafés along the walks, and has an entire section devoted to the stunning tearooms of Charles Rennie Mackintosh and the Edinburgh farmer's market. Sumptuous color photos throughout give a sneak preview of the shops and their offerings, and the address, phone number, opening days and hours, and website of each establishment are included for extra convenience.

As the baby boomer generation becomes senior citizens and starts to flood into the last stage of life, a new definition and new expectations of retirement and aging are

evolving. This is not your father's way of being an older adult. People today tend not to retire in a traditional way. They envision getting older as a challenge to stay active and engaged, a chance to reinvent themselves, and an opportunity to reach for new goals. However, for some, this stage of life can be difficult, bringing with it a whole range of new challenges and obstacles. Along the way, many may deal with mental health problems such as stress and anxiety, grief and

depression, drug and alcohol abuse, changes in marital and other relationships, as well as elder abuse. Are you ready? How will you fill your new free time? How will you cope with the psychological changes? Let this book, on coping with the emotional, mental, physical, and spiritual issues of retirement and aging from a psychiatrist's perspective, light the way. This book will help readers deal with common issues across a broad spectrum. It offers

treatment options, suggests coping skills, and even deals with spiritual and emotional challenges at the end of life. It will help you invest in relationships, redefine your marriage, and broaden your horizons. It will allow you to take charge of your life in retirement and not just let it happen to you.

[The Inheritors Handbook](#)

Bloomsbury Publishing

Following a season with incredible highs and heartbreaking lows, the Philadelphia Eagles went on to do what fans had all

but written off as impossible: for the first time in the franchise's history, Philly won a Super Bowl. Philadelphia Inquirer Eagles beat reporter Zach Berman takes fans on a journey through the action-packed season -- from the preseason and midseason player pickups that shaped a championship team to the gut-wrenching injury of star quarterback Carson Wentz through to the bold play calling and nail-biting moments in Super Bowl LII, in which the Eagles bested the favored-to-win

New England Patriots. A book unique in its scope and insight thanks to Berman's on-the-ground reporting, *Underdogs* will detail the unlikely story that captured national attention; explain how the team resonated among a desperate fan base that waited 57 years for a championship; and even delve into the players' social activism during a particularly political NFL season. With a foreword by beloved Philadelphia radio announcer Merrill Reese and an 8-page full-color photo insert, it's the

perfect keepsake item for anyone who bleeds green. During his six years covering the Birds, Berman has developed relationships with some of the most notable characters that led the team to Super Bowl victory. In *Underdogs*, he'll explain why Nick Foles contemplated retirement on his way to winning Super Bowl MVP. He'll detail Howie Roseman's journey to NFL executive of the year after being cast aside by former coach Chip Kelly. He'll show Malcolm

Jenkins' journey to team captain, how Chris Long's life changed in a Tanzania hotel bar, why Eagles kicker Jake Elliott didn't consider football until he was chosen at random at a high school pep rally, and where Carson Wentz ate dinner the night before he left for the NFL Draft. These more obscure stories offer incredible context and depth to an already fascinating story of success against the odds. *The Philadelphia Inquirer's Guide to Historic Philadelphia* Running

Press Adult  
In the vein of Erin Brockovich, *The Departed*, and T. J. English's *Savage City* comes *Busted*, the shocking true story of the biggest police corruption scandal in Philadelphia history, a tale of drugs, power, and abuse involving a rogue narcotics squad, a confidential informant, and two veteran journalists whose reporting drove a full-scale FBI probe, rocked the City of Brotherly Love, and earned a Pulitzer Prize . In 2003, Benny

Martinez became a Confidential Informant for a member of the Philadelphia Police Department's narcotics squad, helping arrest nearly 200 drug and gun dealers over seven years. But that success masked a dark and dangerous reality: the cops were as corrupt as the criminals they targeted. In addition to fabricating busts, the squad systematically looted mom-and-pop stores, terrorizing hardworking immigrant owners. One squad member also sexually

assaulted three women during raids. Frightened for his life, Martinez turned to Philadelphia Daily News reporters Wendy Ruderman and Barbara Laker. Busted chronicles how these two journalists—both middle-class working mothers—formed an unlikely bond with a convicted street dealer to uncover the secrets of ruthless kingpins and dirty cops. Professionals in an industry shrinking from severe financial cutbacks, Ruderman and Laker had few resources—besides

their own grit and tenacity—to break a dangerous, complex story that would expose the rotten underbelly of a modern American city and earn them a Pulitzer Prize. A page-turning thriller based on superb reportage, illustrated with eight pages of photos, Busted is modern true crime at its finest. *The Middle-Class City* Running Press Explore the most interesting, scenic, and historic places in Philadelphia, Pennsylvania, via 30 self-

guided walking tours. From Broad Street to Independence National Park, from Manayunk to the Delaware River, the City of Brotherly Love is one of the world's most fascinating places to explore. Grab your walking shoes, and become an urban adventurer. Local author Natalie Pompilio guides you through 30 unique walking tours in this comprehensive book. *Walking Philadelphia* makes you feel like you're being led by your closest friend as you soak up the

architecture, trivia, and more. The tours include important historic facts, as well as Natalie's behind-the-scenes stories and tidbits. Plus, Tricia Pompilio's photography brings these walking tours to life. Find vintage boutiques and high-end shopping destinations. Try restaurants that showcase famed fare (like cheesesteaks, soft pretzels, and beer that make Philadelphia a foodies' paradise). Discover Philadelphia's many firsts: the first zoo, first library system, and

first hospital—plus dozens of historic sites that you learned about in school. Explore a Museum District that's second to none, an all-encompassing park system, and much more. *Book Features 30 self-guided tours through the City of Brotherly Love America's Most Historic Square Mile, one of the country's liveliest and most lived-in urban centers Unique and surprising stories about people, places, and things Whether you're looking for the Mural Mile in Center City or the*

historically modern charm of Society Hill, Walking Philadelphia will get you there. Find a route that appeals to you, and walk Philly!

[Guide to Investors](#) The

Countryman Press

Recently, Elizabeth Gilbert unpacked some boxes of family books that had been sitting in her mother's attic for decades. Among the old, dusty hardbacks was a book called *At Home on the Range*, written by her great-grandmother, Margaret Yardley Potter.

As Gilbert writes in her Foreword: 'I jumped up and dashed through the house to find my husband, so I could read parts of it to him: Listen to this! The humor! The insight! The sophistication! Then I followed him around the kitchen while he was making our dinner (lamb shanks), and I continued reading aloud as we ate... By the end of the night there were three of us sitting at that table. Gima had come to join us, and she was wonderful, and I was in love.' The

cookbook was far ahead of its time. In it, Potter espouses the importance of farmer's markets and ethnic food (Italian, Jewish and German), derides preservatives and culinary shortcuts and generally celebrates a devotion to epicurean adventures. Potter takes car trips out to Pennsylvania Dutch country to eat pickled pork products, and to the eastern shore of Maryland, where she learns to catch and prepare eels so delicious, she says, they must be 'devoured in a silence

almost devout'. Part scholar and part crusader for a more open food conversation than currently existed, it's not hard to see where Elizabeth Gilbert inherited both her love of food and her warm, infectious prose. *At Home on the Range* is a fascinating, humorous and useful cookbook from the past that is essential for the present day.

Rutgers University Press  
As restaurants continue to flourish in Philadelphia,

choosing the perfect place for dinner, or even a casual lunch, can pose a challenge. We are sure you will find no better guide to the dining establishments of the city and its environs than noted Philadelphia Inquirer restaurant critic Craig LaBan. Whether you crave a ?decadent splurge? at a fine steakhouse serving succulent cuts and sides, the comfort of a neighborhood bar that ?takes its chicken wings as seriously as its seared tuna, ? or an Italian BYOB

where the ravioli are divine and the table worth the two-hour wait, this comprehensive guidebook will satisfy the most discriminating palate. LaBan presents seventy-six in-depth reviews of favorites, giving mouth-watering menu recommendations (as well as caveats about less-inspired dishes) and everything else you might want to know (from the quality of the wine list to the chattiness of the staff), in addition to over five hundred capsule reviews of all the other

enticing eateries  
*The Routledge Handbook of Religion and Cities*  
 Wilderness Press  
 Straightforward and jargon-free, this book offers tested advice for everyone who must negotiate an inheritance. Because inheriting can be one of the most sensitive family matters, heirs will turn to Rottenberg's reassuring, dependable guidance to help them deal with the difficulties, decisions, and opportunities that arise.

Camino Books Incorporated  
The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to

her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections. [Playing a Round](#)  
Launchpoint Publishing

It was the American Dream by Mail Order -- Smithsonian Americans have ordered from Sears, Roebuck just about everything they have needed for their homes for 100 years--but from 1908 to 1940, some 100,000 people also purchased their houses from this mail-order wizard. Sears ready-to-assemble houses were ordered by mail and shipped by rail wherever a boxcar or two could pull in to unload the meticulously precut lumber and all the materials needed to build

an exceptionally sturdy and well-designed house. From Philadelphia, Pa., to Coldwater, Kans., and Cowley, Wyo., Sears put its guarantee on quality bungalows, colonials and Cape Cods, all with the latest modern conveniences--such as indoor plumbing. Houses by Mail tells the story of these precut houses and provides for the first time an incomparable guide to identifying Sears houses across the country. Arranged for easy identification in 15 sections by roof type, the

book features nearly 450 house models with more than 800 illustrations, including drawings of the houses and floor plans. Because the Sears houses were built to last, thousands remain today to be discovered and restored. Houses by Mail shows how to return them to their original charm while it documents a highly successful business enterprise that embodied the spirit and domestic design of its time. "After decades of obscurity, Sears houses have become chic." --Wall

Street Journal "These were . spacious, solidly built homes." --Parade "Don't be surprised if your own cozy bungalow turns up [in the book]."-- Philadelphia Inquirer "A nostalgic and informative look at the tastes of Americans in the years before World War II."-- Publishers Weekly "The bible to researchers of Sears' ready-cut homes."-- Saturday Evening Post *Unique Eats and Eateries of Philadelphia* Simon and Schuster  
If you are hungry for a good meal and a delicious

story, this book is here to serve you. It introduces you to the most fascinating restaurants and chefs in Philadelphia. Discover how two chocolatiers got engaged; dinners interrupted by bungled mob hits; restaurants that survived an earthquake, a fire, and even Prohibition; a secret restaurant that began in a backyard tent; and a distillery that started in a basement. The book includes the sweet and spicy stories behind more than 90 bistros, bars, bakeries, and breweries -

restaurants with moving stories and good food and drink. Learn how to get reservations at trendy restaurants and into secret speakeasies. Find the most sinful desserts, where senior citizens dine with college seniors, where to taste goat, and spot celebrities too. Philadelphia, perhaps best known for its famous cheesesteaks, is finally getting recognized for its restaurant scene. It seems natural that a city sandwiched between two rivers would become one of the hottest food cities

in America. With so many great restaurants, this well read and well fed.  
book will help you to be
