Life is full of labels that limit, but God has a new name He longs for you to hear - a name that boldly declares freedom from your past and hope for your future. Join Esther Fleece Allen, bestselling author of *No More Faking Fine*, in this profound exploration of your God-given identity that no label can limit and no circumstance can shake. Too often, our identity gets tangled up with our circumstances, and suddenly, the truth of who we are is colored by our relationship status, our job title, the shame of our past, or what others say about us. People might pin toxic, untrue labels on your back. Life might knock you down. And you might even wrongly label yourself. But

God never does. Our God-given identity is the truest thing about us, and God spends a lot of time in the Bible telling us who we are. It's time to take Him at His word.

God's names for you are not post-it-note provisions; they are names to be studied, taken to heart, and believed, all in the journey of becoming your truest self just as He created you to be. Let Your New Name be your first step in this journey of a lifetime.

A twenty-six-week devotional study by the bestselling coauthor of *Women of the Bible* Names in the ancient world did more than simply distinguish one person from another, they often conveyed the essential nature and character of a person. This is especially true when it comes to the names of God recorded in the Bible. Praying the Names of God explores the primary names and titles of God in the Old Testament to reveal the deeper meanings behind them. El Shadday, Elohim, Adonay,

Abba, El Elyon - God Almighty, Mighty Creator, Lord, Father, God Most High - these are just a few of the names and titles of God that yield rich insights into his nature and character. Praying the Names of God shows readers how to study and pray Gods names by focusing each week on one of the primary names or titles of God. Monday - readers study a portion of Scripture that reveals the name.

Tuesday/Thursday - readers pray specific Scripture passages related to the name. Friday - readers pray Scripture promises connected to the name. By incorporating the divine names and titles into their prayers - and learning about the biblical context in which the name was revealed - readers will gain a more intimate understanding of who God is and how he can be relied on in every circumstance of their lives. Praying the Names of God is a unique devotional, one that offers a rich program of daily prayer and study designed to lead people into fresh encounters with the living God.

“Love has a name, and that name isn’t Mark or Adam or even yours! That name is Jesus, and when we make love about him, everything else falls into place. Struggling to love? Pick up this book!”—Mark Batterson, New York Times bestselling author of *The Circle Maker* and lead pastor of National Community Church Who does Jesus love? The stranger who looks strange. The driver who cuts us off in traffic. The person online who thinks differently than we do. Loving people is hard. Especially when it involves the difficult people in our lives and those different from us. We say we love others, but really we don’t. Instead of loving, we hurt, belittle, and overlook people. Which is precisely why we need to learn how to love—from Jesus and from one another.

Adam Weber knows firsthand how important it is to learn to love. And he’s learned incredible lessons from incredible people—some of them quite unexpected.

With hope, humor, stretched comfort zones, biblical truth, and (maybe) a few tears, *Love Has a Name* looks at the most powerful of these stories, showing us twenty-seven people (and one school) who have taught Adam how to love like Jesus. One name at a time.

God Has a Wonderful Plan for Your Life Morgan James Publishing

Finally--a theology of love that will help you navigate the confusing waters of modern relationship. In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. With an autobiographical thread that turns a book into a story, pastor and speaker John Mark Comer shares about what is right in male/female relationships--what God intended in the Garden. And about what is wrong--the fallout in a post-Eden world. Loveology starts with marriage and works backward. Comer

deals with sexuality, romance, singleness, and what it means to be male and female; ending with a raw, uncut, anything goes Q and A dealing with the most asked questions about sexuality and relationships. This is a book for singles, engaged couples, and the newly married--both inside and outside the church--who want to learn what the Scriptures have to say about sexuality and relationships. For those who are tired of Hollywood's propaganda, and the church's silence. And for people who want to ask the why questions and get intelligent, nuanced, grace-and-truth answers, rooted in the Scriptures.

Names Of God The Good Book Company When Life Gets Too Hard to Stand, Kneel You are called to be a prayer warrior. But which name should you call upon? God has more than one name—each represents a different aspect of His character. When you know which name to call, you will pray more effectively, and more specifically to your need. In this book, Dr. Tony Evans provides tools to transform your prayer life as you get to know God in new ways. You will... experience God as Jehovah Jireh, "the Lord will provide." allow God to be El

Simchatch Gili, "God my exceeding joy." make God Your Jehovah Ori, "the Lord my light." know peace through Jehovah Shalom, "the Lord our peace." take God as your power source as Jehovah Uzzi, "the Lord my strength." make wiser decisions by sitting at the feet of Peleh Yo'etz, "Wonderful Counselor." Revitalize your prayer life by connecting your needs with the characteristics of God's names! *Bearing God's Name* Inner Traditions Many of us ache for relationship with God, yet feel distant and disconnected from him. As if he's more of an idea we believe in our head than a person we relate to. But God has a name: Yahweh. This one simple idea has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our "God" is really a projection of our own identity, ideas, and desires? And what if the real God is different, but far better than we could ever imagine? This book is a simple, but

profound guide to what God says about himself. In his signature conversational-but-smart style, John Mark Comer takes the reader line by line through Exodus 34v6-8--Yahweh's self-revelation on Mount Sinai--called by some scholars the one most quoted verse in the Bible, by the Bible. In it, we see who God says he is. It turns out, who God is just might surprise you, and change everything.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 God is the Creator of all that is good, beautiful, and true. God is also a sadistic monster who made ancient Hebrews eat their young. For me, the far more interesting question was always, What in the world is God like. #2 We become like what we worship. If you think of God as a Left-Coast, educated, LGBTQ-affirming progressive, that will shape you into the stereotype of the wealthy bohemian with the We Will Not Tolerate Intolerance bumper sticker on the back of your hybrid. #3 We often end up creating God in our own image. We want a God who is controllable because we want to be

God ourselves. We want to be the authority on who God is or isn't and what's right or wrong, but we want the mask of religion or spirituality to cover up the I-wanna-be-God reality. #4 God has to reveal himself to us, and this is usually done through a surprise twist in the story. The Bible is a story about God and how we as people relate to him.

God Has a Name is a simple yet profound guide to understanding God in a new light—focusing on what God says about himself. This one shift has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-

forth way. In *God Has a Name*, John Mark Comer takes you line by line through Exodus 34:6-8--Yahweh's self-revelation on Mount Sinai, one of the most quoted passages in the Bible. Along the way, Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus, including: Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our "God" is really a projection of our own identity, ideas, and desires? What if the real God is different, but far better than we could ever imagine? No matter where you are in your spiritual journey, the act of learning who God is just might surprise you--and change everything.

Pursuing Intimacy With God Zondervan

When the evening news reported a dead baby abandoned in a local dumpster, Linda Znachko's comfortable life changed. She was suddenly convicted—God was asking her to provide a dignified burial for this tiny lost child. Linda said yes. She had no idea where that first small yes would lead. Linda found herself in places she

never dreamed she would be: at the graveside of the child of an abused mother; by the side of a mother fighting for her lost child; and at the funeral of a Texas stripper who died two days before her baptism but left a legacy of love behind. When Linda stepped out of her comfort zone and into these implausible places with people she was unlikely to otherwise encounter, she discovered the life she never knew she wanted—a life of saying yes to God whenever He asks. Today, Linda has a ministry that gives children a name in life, and dignity and honor in death. When she shares her stories of broken lives redeemed, other broken people respond, and so the ripple effects of that long-ago yes continue to spread, touching lives that yearn for healing, and underscoring the fact that every life matters to God.

Tapping Into God's Infinite Supply Each of God's names reveals a wonderful aspect of His nature that can meet your deepest needs, comfort you in times of personal tragedy, and release you to new heights of praise in times of joy. God is so vast that

the heavens cannot contain Him. Likewise, His personality is so complex that one name cannot adequately describe Him. Throughout the Bible, God revealed Himself to His people through His various names. When the Israelites were fearful, God revealed Himself as Jehovah Shalom, meaning “the Lord my Peace.” When they were uncertain of His will, He revealed Himself as Jehovah Rohi, meaning “the Lord my Shepherd.” He is also Jehovah Jireh, “the Lord our Provider,” and Jehovah Rophe, “the Lord our Healer.” Marilyn Hickey’s practical teaching on nineteen different names of God will whet your appetite to pursue fully God’s love and purpose for your life.
