Language should not be a barrier to comprehension. Students with learning differences can understand and enjoy complex stories - given support for the ways they learn. Do you have a student who learns

differently? This adaptation of "Romeo and Juliet" considers the learning needs of students who benefit from reduced language demands. Sentence length - sentence structure - pronoun use - and vocabulary - are adjusted to reduce language demands while preserving the story. Help your student understand and enjoy Shakespeare's classic play. Suparna Chakraborti, M.A. CCC-SLP is a speech-language pathologist with more than 17 years of experience supporting students with communication differences.

Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading, and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, Literature for Young Adults includes chapters on literary nonfiction; poetry, short stories, and drama; cover art, picture books, illustrated literature, and graphic novels; and film. It recognizes that, while films can be used to complement print literature, they are also a literacy format in their own right—and one that

young adults are particularly familiar and comfortable with. The book's discussion of literary language—including traditional elements as well as metafictional terms—enables readers to share in a literary conversation with their students (and others) when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

Romeo and Juliet Taylor & Francis

Reading Level 2.0-3.0 This high-interest / low-readability 10-chapter book is designed to excite the reluctant and enthusiastic reader while improving comprehension, vocabulary skills and fluency. The integrity of the original work has been retained yet converted into a novel type format having been carefully rewritten to specific reading levels. This format enables consistent progression for reading skills achievement. Each book is divided into 10 short chapters • Was written using McGraw-Hill's Core Vocabulary • Has been measured by the Fry Readability

Formula • Includes 100 comprehension questions that test for main idea, critical thinking, inference, recalling details, sequencing and much more • Each book also has 60 vocabulary exercises in modified Cloze format • Defines and uses words in context with new vocabulary prior to each chapter • Includes complete answer keys at the back for all exercises and contains 72 pages with exciting illustrations in every chapter. The books in this series may be used progressively for continued reading development or independently.

Romeo and Juliet Study

Guide CD Routledge Dance and Light examines the interconnected relationship between movement and design, the fluid partnership that exists between the two disciplines, and the approaches that designers can take to enhance dance performances through lighting design. The book demystifies lighting for the dancer and helps designers understand how the dancer/choreographer thinks about their art form, providing insight into the choreographer's process and exploring how designers can make

the most of their resources. The author shares anecdotes and ideas from an almost 50-year career as a lighting designer, along with practical examples and insights from colleagues, and stresses the importance of clear communication between designers, choreographers, and dancers. Attention is also given to the choreographer who wants to learn what light can do to help enhance their work on stage. Written in short, stand-alone chapters that allow readers to quickly navigate to areas of interest, *Dance and Light* is a valuable resource for lighting design classes wishing to add a section on dance lighting, as well as for choreography classes who want to better equip young artists for a significant collaborative partnership. *Teaching A Midsummer Night's Dream, Romeo and Juliet, and Macbeth* CreateSpace

Romeo and Juliet, each from an Italian family that despises the other, desperately try to be together in their rash and youthful love, with tragic results. Includes discussion prompts, fun facts, a short biography of

Shakespeare, and famous phrases from the play. Aligned to Common Core standards and correlated to state standards. Graphic Planet is an imprint of Magic Wagon, a division of ABDO.

Dr. Webster's Complete Dictionary of the English Language Saddleback Educational Publishing

Become swept up in a tale of love, feuds and tragedy. Before and after reading questions and activities are designed to help guide student comprehension as they read the novel. Identify the central problem of this play. Defend or refute statements about the play by using evidence from the text. Find an example of hyperbole in Romeo's soliloquy. Get a handle on the difficult vocabulary by finding their synonyms based on their context. Identify the use of alliteration within Romeo and Mercutio's conversation. Answer true or false questions concerning the Capulet's plans to have Juliet marry Paris. Compare the feud between the Capulets and Montagues with another famous feud from history. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search,

comprehension quiz and answer key are also included. About the Novel: William Shakespeare's timeless tragic tale of two doomed young lovers caught between feuding families. The two young people fall in love and are secretly married. When Romeo kills Juliet's kinsmen in a duel, he is banished and forced to live in exile. Distraught, Juliet formulates a plan to bring Romeo back by drinking a substance that renders her into a death-like state for several hours. Her family—assuming she is dead—lays Juliet to rest in the family vault. Romeo, also believing Juliet is dead, drinks poison and dies. Juliet recovers, sees Romeo dead beside her, and stabs herself to death. Both the Capulet and Montague families arrive at the tomb and are devastated; however, as a result of the tragedy they reconcile.

Classic Moments from Romeo and Juliet Saddleback Educational Publ

During the summer that she turns nine, Mary Margaret tries very hard to persuade her parents to let her have a pet, makes a new neighbor friend and helps her brother keep an old one,

and looks forward to the new baby's arrival because then her mother will be less "crabby." Annotation. Mary Margaret thinks her life would be perfect if only she had a pet. She's tried to convince her parents that she can handle the responsibility, but her mother is too busy worrying about having a baby, and her father is allergic to dander. The irrepressible eight-year-old concocts all sorts of crazy schemes (including selling handmade "poop purses" to neighborhood dog walkers) and suffers many mishaps on the way to becoming big enough inside to earn something warm and fuzzy to love. Mary Margaret's effervescent personality will make her popular with fans of Junie B. Jones, Ramona, and Amber Brown.

Romeo and Juliet

EDCON Publishing Group
The Classic Rewrite of Romeo and Juliet brings one of William Shakespeare's greatest

known plays to the new millennium. Modern day language is used to tell the story of the two lovers. Romeo and Juliet's families have been enemies for several years. After the teenagers fall in love, they have to keep their relationship a secret. Through concealed meetings, the young lovers get married. This forbidden bond ultimately leads to tragedy, violence, and death. A literary masterpiece in itself, the rewrite of Romeo and Juliet will allow students to experience the play by using language that applies to their world.

The Magic of Drama

CRC Press
Floating daggers, enchanted handkerchiefs, supernatural storms, and moving statues have tantalized Shakespeare's readers and audiences for centuries. The essays in Shakespeare's Things: Shakespearean Theatre and the Non-Human World in History, Theory, and Performance renew attention to non-human influence and agency in the plays, exploring how Shakespeare anticipates new materialist thought, thing theory, and object studies while presenting accounts of intention, action, and expression that we have not yet

noticed or named. By focusing on the things that populate the plays—from commodities to props, corpses to relics—they find that canonical Shakespeare, inventor of the human, gives way to a lesser-known figure, a chronicler of the ceaseless collaboration among persons, language, the stage, the object world, audiences, the weather, the earth, and the heavens.

Romeo and Juliet - Adapted for Students with Language Learning

Saddleback Educational Publishing
Many people have said to me, 'I wish we'd had this book when I was in school.' It is the book I would have liked when I was studying Shakespeare. It is also the book I would have liked when I was teaching in high school. Twentyfirst Century Shakespeare is a new and exciting approach that opens up Shakespeare to a new generation of students. The text is the full traditional Shakespearean text presented in a more familiar, friendly, helpful format. If you are a student you will probably find reading Shakespeare easier than you thought possible. You will be able

to read through scenes more quickly, more fluently and with greater understanding. The notes in the margins make things easier by shedding light on tricky words and phrases. You do still have to do some work but you will be surprised by how quickly you can become familiar with Shakespearean English. This is warm fuzzy Shakespeare designed to make your life a little easier. But don't take my word for it, open the book and take a look inside. If you are teaching Shakespeare, you will save so much time and energy. You can concentrate on developing your student's breadth and depth of knowledge and understanding. You will hear your students read with more fluency and confidence, with greater expression and comprehension. Teachers can cover more ground and concentrate on what they feel is important. You can help your students make a real connection with Shakespeare. Take a look inside and see how Twentyfirst Century Shakespeare can make life easier in your classroom. This book evolved from my experience in the

classroom. When Shakespeare was introduced into the lower secondary school curriculum in the UK it became compulsory for 13 and 14 year olds to study a Shakespeare play. The students I taught were used to reading other plays and came to Shakespeare with a genuine enthusiasm and a willingness to participate in a classroom reading of Romeo and Juliet. To be fair, they had no trouble reading the short exchanges such as the banter between Samson and Gregory at the beginning of the play but they did struggle when confronted with longer passages. At first I assumed that the problem lay in the language - unfamiliar vocabulary, archaic grammar and syntax and the sheer complexity of Shakespeare's verse. But many students also struggled with longer passages that weren't intrinsically difficult - just long. The solution came when I realised that they were reading to the rhythm of the blank verse, ignoring intonation, punctuation and meaning. I knew that actors often use the technique of marking their scripts at each punctuation mark.

This helps them get the sense and structure of a speech. I wondered if this would also work in the classroom. So I reformatted the blank verse into lines based on meaning rather than iambic pentameters. I also paragraphed the longer speeches to give a more modern look and feel. It worked. In fact it worked like magic. Since then I have added annotations to help with difficult words and phrases and other features unique to these editions. But Shakespeare re-formatted is the essence of Twentyfirst Century Shakespeare. When I was a school boy, many years ago, only Grammar school pupils read Shakespeare in the UK. Even so, many of these brightest of pupils were turned off Shakespeare. Now we have a system in which all pupils, regardless of academic ability are expected to make some sort of sense of at least one Shakespeare play. The least we owe them is a text they can read. And who knows, they even enjoy it. Many people find that removing the straitjacket of blank verse makes the plays easier to read. They also find that it liberates the dramatic spirit of the plays and

actually enhances the beauty, power and natural rhythms of Shakespeare's language. If blank verse is of primary importance to you, then this book may not be for you. This is Shakespeare for the rest of us.
