Les apocalypses de Jean - Entre Ephèse et Patmos... il y a 2 fois 1000 ans
Eisenbrauns

Dans la lignée du Livre secret de Jeshua, cet ouvrage de Daniel Meurois nous invite cette fois-ci à marcher au côté du disciple Jean au fil de sa vie entre Éphèse et Patmos, des années après la Crucifixion. Un récit surprenant et hautement initiatique qui nous fait aller de Révélation en Révélation, autrement dit d'Apocalypse en Apocalypse, à la découverte des Enseignements les plus secrets que le Christ a confiés au disciple bien-aimé que fut Jean. Il affirme en effet que nous serions prisonniers d'une grille spatio-temporelle dont le Souffle christique universel - traversant les Âges et les Traditions - serait la Clé libératrice à activer en urgence. Nous faisant voyager des Origines de la Divinité à la Création des cosmos en passant par l'énigme des Archontes, rarement un témoignage de Daniel Meurois aura été plus porteur d'Éveil, interpellant et actuel que celui-ci. Une Onde de Liberté qui écarte les barreaux derrière lesquels les fabrications illusives de l'humain ont toujours tenté de rétrécir le Divin.

Voici le premier tome d'une œuvre depuis longtemps attendue : La restitution de la vie intégrale du Christ Jésus par la consultation détaillée de la Mémoire Akashique... Après plusieurs années de travail, Daniel Meurois, dont on connaît notamment "De Mémoire d'Essénien" et "Le Testament des trois Marie", nous livre ici, sous la forme d'un récit-témoignage, une épopée initiatique fascinante. Au fil

des pages, nous partageons le regard de Jeshua - Jésus - sur les trente premières années de sa vie. Nous découvrons sa petite enfance dans le delta du Nil et ce que furent ses études au monastère essénien du Krmel... jusqu'à ce voyage de dix-sept années qui le conduira en Himalaya... pour enfin regagner l'Égypte et y être investi par le Souffle christique au cœur de la Grande Pyramide. À travers une multitude d'informations et d'événements jamais révélés, nous accompagnons le Maître, pas à pas, sur le chemin de son émouvante germination. Un parcours qui le mènera, avec l'aide des Élohim, à la découverte de l'ampleur cosmique de sa Mission. "Le livre secret de Jeshua" est une œuvre troublante et révolutionnaire qui marquera fortement l'itinéraire de tous ceux qui - en dehors des Églises - ressentent l'urgente nécessité de redécouvrir la nature originelle et universelle de l'Empreinte du Christ sur Terre. Son enseignement stimulera en chacun le besoin d'une métamorphose unificatrice. Un livre qui constitue, sans aucun doute, l'annonce de l'arrivée imminente d'un nouveau Souffle de Lumière...

Une renaissance grâce à Dieu Saint Pauls/Alba House

Le mensonge nous gouverne depuis l'empereur Constantin au 4ème siècle. Reconnaitre cette réalité, c'est s'aider à l'effacer. Le vendredi 21 décembre 2012, au solstice d'hiver, rien ne se passa de remarquable. Cependant notre société est en pleine mutation. Nous constatons que le climat est dérégulé, que les événements politiques, guerres, attentats, dettes publiques, etc., s'enchaînent. La finance est au bord de l'implosion, la gouvernance est de plus en plus décriée. D'autre part, nous prenons conscience qu'il n'est plus possible de diviser l'humanité. Les initiatives se multiplient pour aider, retrouver une vie saine, protéger nos enfants... La femme prend le pouvoir. Quel est le lien avec la précession des Equinoxes ? Pourquoi le Maître Jeshua est-il venu ? Qui est-il ? Pourquoi la Passion alors que sans aucun doute il aurait pu l'éviter ? Karma, psychologie, syntonisation, longueurs d'onde, dimensions vibratoires, formes-pensées et

EgrEgotes... tout est Un.

Le livre secret de Jeshua Hay House, Inc In South Carolina, a young black man faces the death penalty for the rape and murder of Marianne Larousse, daughter of one of the wealthiest men in the state. It's a case that nobody wants to touch, deeply rooted in old evil--and old evil is Charlie Parker's specialty. He's about to enter a living nightmare, a dreamscape of sorrow haunted by the murderous specter of a hooded woman, by a black car waiting for a passenger that never comes, and by the sinister complicity of both friends and enemies in Larousse's brutal death. Soon, all will face a final reckoning in an unearthly realm where the paths of the living and the dead converge. A place known only as the White Road.

When Jean Louis Ska's *Introduzione alla lettura del Pentateuco* was first published in Italy, it was quickly hailed as the most attractive and usable introduction to the Pentateuch to appear in modern times. Because of its strengths, it was soon translated into French. The English translation published by Eisenbrauns has been completely reviewed and updated (including the bibliography) by Ska. Among the book's many strengths are its close attention to the ways in which modern cultural history has affected Pentateuchal interpretation, attention to providing the kinds of examples that are helpful to students, presentation of a good balance between the history of interpretation and the data of the text, and the clarity of Ska's writing. For both students and scholars, many consider this book the best contemporary introduction to the Pentateuch.

Two thousand years after the fact, new light is shed on Christ's hidden life as an initiate in the mystical society of the Essene Brotherhood. In the first English-language edition of the European bestseller, Anne and Daniel Meurois-Givaudan describe the way of life in the Essene communities of first-century Palestine. Through direct revelation, the authors received--over a two-year period--detailed knowledge of the Essene teachings and their role in preparing Christ

for his mission. At once unpretentious and astonishing, this beautifully written and evocative story lucidly recreates the life and personality of Christ and his role in the spiritual development of humankind. Since the discovery of the Dead Sea Scrolls, questions continue to arise as to the identity of the Essenes and what role they might have played in the life of Jesus. This account complements the gospels, clarifying and enlarging upon mysterious parts of the record—including Christ's mystical and metaphysical teachings of Essene techniques for spiritual advancement. The authors' retelling of the Passion of Christ and its aftermath is an extraordinary account that may forever reshape our understanding of these biblical events.

We live in a day and age characterized by an extraordinary amount of agitation and lack of peace. This tendency manifests itself in our spiritual as well as our secular life. In our search for God and holiness, in our service to our neighbor, a kind of restlessness and anxiety take the place of the confidence and peace which ought to be ours. What must we do to overcome the moments of fear and distress which assail us all too often in our lives? How can we learn to place all our confidence in God and abandon ourselves into his loving care? This is what is taught in this simple, yet profound little treatise on peace of heart. Taking concrete examples from our everyday life, the author invites us to respond in a Gospel fashion to the upsetting situations we must all confront. Since peace of heart is a pure gift of God, it is something we should seek, pursue and ask him for without cease. This book is

here to help us in that pursuit.

Did Jesus Live 100 B.C.? TheBookEdition
The Wisdom of Ben Sira (Ecclesiasticus) contains the sayings of Ben Sira, arguably the last of Israel's wise men and its first professional scribe, whose world was defined and dominated by Greek ideas and ideals. This Hellenistic worldview challenged the adequacy of the religion passed down to the Palestinian Jews of the second century B.C.E. by their ancestors. Ben Sira's training in both Judaic and Hellenistic literary traditions prepared him to meet this challenge. He vigorously opposed any compromise of Jewish values; and his teachings bolstered the faith and confidence of his people. Through its elegant poetry and vehement exhortations, *The Wisdom of Ben Sira* exposes the ill effects of sinful behavior on one's health, status, and spiritual and material well-being. Ben Sira's rigorous code of moral behavior was the measure of Jewish faithfulness in an era of ethical and religious bankruptcy.

In this exhilarating description of mysteries inside the Earth, Radu Cinamar presents a unique way to penetrate the Inner Earth through the process of feeling and the effects that will develop from such an experience. To enhance the readers understanding of this very guarded subject, this book includes multiple illustrations that include depictions of Inner Earth geography. Familiar characters from the Transylvania Series also reappear, including the enigmatic Tibetan lama, Repa Sundhi, also known as Dr Xien, who states: If someone had a device or machine that could start up and go everywhere they want, especially towards the centre of the Earth, the machine would be blocked and stop at a certain point because of the frequency of vibration to be found there. Just how far you can go with such a machine can be limited by reason of your own consciousness which can in and of itself restrict the dimensional range of such a device or the extent to

which it can penetrate other realms. This applies to both human beings as well as material objects. Your ability to access such a region is determined by what your own individual frequency of consciousness can or will allow you to experience. This is not only the story of an exciting adventure, it is an opportunity for initiation as you explore the frequencies of your own inner nature.

Many sources regularly refer to a Master of wisdom who was reincarnated in the Middle East towards the beginning of the sixties. Some go as far as saying it was Jesus in person. Answering a call, Anne Givaudan and Daniel Meurois undertook a journey to Syria. There, they were immediately contacted by a Being of Light in whom they recognized both an impressive force and gentleness which left them in no doubt... Their story begins in the heart of Damascus, but this quickly goes backstage when the spotlight is focused on the teaching they receive. Testimony of an amazing experience, the

book is like a guide for each one of us to shake off the ego's tenacious hold and construct the firmer foundations of a new consciousness. Of burning topicality, simply written without indulgence, "By the Spirit of the Sun" addresses all those who, as seekers of Peace and Truth, no longer want to "spend their time" but act.

Le plaisir de vivre dans la Joie, l'Amour et la Lumière. Depuis son enfance, des pensées jaillissent du coeur de Shani. Certes les écrits de son enfance n'existent plus. Mais l'énergie qui préside est là, toujours plus puissante. 1.150 pensées sont devenues des gouttes de Lumière, des fleurs de l'Esprit, après une oeuvre de rassemblement, de condensation et de mise en ordre. Le plan utilise les quatre stades des trois OEuvres alchimiques et des Portes de la Qabbale. Mais il est peu fait mention à leur ésotérisme. Un ouvrage qu'il est bon de lire une première fois d'un bout à l'autre pour le laisser ensuite sur sa table de nuit afin de le consulter en fonction du souffle du vent... Même si quelques gouttes ont demandé un niveau de langage plus profond, celui qui est utilisé en général est très simple et compréhensible par tous. Assurément, il s'agit d'un ouvrage qui fait date quant à l'ouverture de conscience qu'il induit...
