KALEIGH JOEL

Boydell & Brewer Ltd
Fred C. Robinson is known throughout the world for some of the most original and stimulating work on Old English literature and language published in recent times. The Tomb of Beowulf collects thirty seven of his essays and three substantial new articles. The book is informed by the author's preoccupation with meaning, context and language and their subtle interactions. Its contents are equally characterized by readability and scholarship, and by learning and wit.

Studies in intimacy W. W. Norton & Company

A best-selling translation of the classic epic is complemented by lavish photographs and illustrations of period relics, from Viking warships and chain mail suits to spearheads and a reconstruction of the Great Hall. Original. 30,000 first printing.

The Tomb of Beowulf Boydell & Brewer Ltd
This dual-language edition of Beowulf is for the general readers' enjoyment of the poem as well as a study guide for students of English language and literature. To meet this dual purpose, the book provides the two texts running in parallel. The general readers can enjoy the poem by reading the translation; but the serious

students of English can lean on the translation as a prop while studying the original text line after line. For the students of Old English, who wish to attain a thorough understanding of the original lines, the Textual and Explanatory Notes will be an indispensable apparatus: these notes discuss diverse scholarly interpretations on the problematic phrases and lines before the translator offers his own opinion.

Seamus Heaney and Medieval Poetry
Faber & Faber

"This Norton Critical Edition features a newly translated and annotated text of Sophocles's Greek tragedy, Oedipus Tyrannos. The play begins late in the mythic story, when Oedipus, the confident,

assertive immigrant who serves as ruler of Thebes, is called upon to investigate a plague devastating the city. Tracing the cause of this sickness leads Oedipus gradually to discover terrible truths about his own family that have been buried for a generation, hinted at only by a confusing array of mysterious prophecies. "Sources" provides other ancient interpretations of the Oedipus myth, as well as part of Thucydides' account of the plague at Athens, and discussions of the play's structure and of free will from Aristotle; all ancient texts are newly translated for this Critical Edition. "Criticism" offers contemporary analyses and provide context for some of the key themes found in the play. A chronology is also included"-

An Anglo-Saxon Epic Poem W. W. Norton & Company

More than 70 of today's most celebrated poets, including Seamus Heaney, Robert Pinsky and Molly Peacock, present new translations of Anglo-Saxon poetry that give life to medieval English voices ranging from weary sailors and forlorn wives to farmers and drunken louts.

Beowulf Penguin UK

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

With Two Further Lais in the Original Old French Norton Critical Editions

Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies.

Beowulf - Second Edition W. W. Norton & Company

A unique parallel edition of Beowulf with the original Anglo-Saxon and Gummere's celebrated poetic translation on facing pages. "The whole thing is sombre, tragic, sinister, curiously real. ... It is laden with history, leading back into the dark heathen ages beyond the memory of song, but not beyond the reach of imagination" - J. R. R. Tolkien. The epic Anglo-Saxon poem Beowulf had "a deep and detailed impact on what Tolkien wrote - from his earliest poem of Middle-earth (1914), right through *The Hobbit* ... and *The Lord of the Rings*." -

John Garth author of *Tolkien and the Great War*. "The story of Beowulf, Grendel, Grendel's mother and the Dragon [is] surely the basic story of all literature ... It is an epic that summons up a world whose trappings have long since disappeared, the trappings of the warrior ethos, and morality of almost prehistoric Germanic times; but the essential 'message' has not changed. It is about courage and resolve, about duty and responsibility, about honour and achievement; but it is also about the transitoriness of things, and the inevitability of death, however glorious the life. It is both a celebration of humanity and an elegy. The poem Beowulf is one of the glories of European literature." - Magnus Magnusson. Beowulf, the greatest work of Anglo-Saxon literature, and "one of the glories of European literature," is set in the mists of Scandinavia, interweaving history and myth. It has been translated into English over seventy times, has been widely studied, and has influenced the popular imagination through Tolkien's *Hobbit* and *Lord of the Rings*. The young hero, Beowulf, receiving reports that a monster has been terrorising the neighbouring Danes nightly in their

sumptuous mead hall Heorot, sails to their aid with a small band of warriors. The Danish King Hrothgar, amazed at his courage, honours him with a celebratory feast, after the shadowy monster Grendel strikes. Beowulf, a man of suprahuman strength, though unarmed, fatally wounds Grendel, and later defeats his terrifying mother. Beowulf returns to Geatland, becomes King, and ruling with wisdom equalling his courage and strength, establishes peace for fifty years. However, an enterprising slave steals a jewelled cup from a sleeping dragon's hoard, whereupon the enraged dragon emerges spewing flames, killing villagers, and destroying homes. Beowulf, defender of his people, seeks the dragon in its lair; however, once the fire-breathing dragon emerges, he is abandoned by all but the young Wiglaf. The two ultimately slay the dragon, but only at the cost of a mortal injury to Beowulf. Beowulf, who has triumphed gloriously in life and died tragically, is given a funeral equal to any of the heroes of The Iliad or The Aeneid. This dual-language edition will be enjoyable for general readers, and invaluable for students who would like to

read Beowulf in either Anglo-Saxon or modern English, while dipping into the other language to deepen pleasure or comprehension. It provides an enjoyable experience of the epic poem Beowulf. *An Anglo-Saxon Primer* W W Norton & Company Incorporated
Written between the mid-fourth and late sixth centuries to commemorate and glorify the achievements of early Christian saints, these six biographies depict men who devoted themselves to solitude, poverty and prayer. Athanasius records Antony's extreme seclusion in the Egyptian desert, despite temptation by the devil and visits from his followers. Jerome also shows those who fled persecution or withdrew from society to pursue lives of chastity and asceticism in his accounts of Paul of Thebes, Hilarion and Malchus. In his Life of Martin, Sulpicius Severus describes the achievements of a man who combined the roles of monk, bishop and missionary, while Gregory the Great tells of Benedict, whose Rule became the template for monastic life. Full of vivid incidents and astonishing miracles, these Lives have provided inspiration as models for centuries of Christian worship.

The Epic of Gilgamesh Manchester University Press

First examination of the use made by Seamus Heaney of medieval poetry in his translations and adaptations, including the acclaimed Beowulf.

[A New Translation, Analogues, Criticism](#)

Henry Holt and Company

Gilgamesh, King of Uruk, and his companion Enkidu are the only heroes to have survived from the ancient literature of Babylon, immortalized in this epic poem that dates back to the 3rd millennium BC. Together they journey to the Spring of Youth, defeat the Bull of Heaven and slay the monster Humbaba. When Enkidu dies, Gilgamesh's grief and fear of death are such that they lead him to undertake a quest for eternal life. A timeless tale of morality, tragedy and pure adventure, The Epic of Gilgamesh is a landmark literary exploration of man's search for immortality.

Old English Poetry Benediction Classics
The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years. This collection of new essays offers the first sustained comparison of modern Irish

and Scottish poetry, featuring close readings of texts within broad historical and political contextualisation. Playing on influences, crossovers, connections, disconnections and differences, the 'affinities' and 'opposites' traced in this book cross both Irish and Scottish poetry in many directions. Contributors include major scholars of the new 'archipelagic' approach, as well as leading Irish and Scottish poets providing important insights into current creative practice. Poets discussed include W. B. Yeats, Hugh MacDiarmid, Sorley MacLean, Louis MacNeice, Edwin Morgan, Douglas Dunn, Seamus Heaney, Ian Hamilton Finlay, Michael Longley, Medbh McGuckian, Nuala ni Dhomhnaill, Don Paterson and Kathleen Jamie. This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty-first centuries.

Beowulf Penguin UK

The extraordinary writings of Phillis Wheatley, a slave girl turned published poet. In 1761, a young girl arrived in Boston on a slave ship, sold to the Wheatley family, and given the name Phillis Wheatley. Struck by Phillis'

extraordinary precociousness, the Wheatleys provided her with an education that was unusual for a woman of the time and astonishing for a slave. After studying English and classical literature, geography, the Bible, and Latin, Phillis published her first poem in 1767 at the age of 14, winning much public attention and considerable fame. When Boston publishers who doubted its authenticity rejected an initial collection of her poetry, Wheatley sailed to London in 1773 and found a publisher there for *Poems on Various Subjects, Religious and Moral*. This volume collects both Wheatley's letters and her poetry: hymns, elegies, translations, philosophical poems, tales, and epyllions--including a poignant plea to the Earl of Dartmouth urging freedom for America and comparing the country's condition to her own. With her contemplative elegies and her use of the poetic imagination to escape an unsatisfactory world, Wheatley anticipated the Romantic Movement of the following century. The appendices to this edition include poems of Wheatley's contemporary African-American poets: Lucy Terry, Jupiter Harmon, and Francis

Williams. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Beowulf Witan Publishing

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

An Illustrated Edition DS Brewer

Two revealingly different accounts of the life of the most important figure of the Roman Empire Charlemagne, known as the father of Europe, was one of the most powerful and dynamic of all medieval rulers. The biographies brought together here provide a rich and varied portrait of the king from two perspectives: that of

Einhard, a close friend and adviser, and of Notker, a monastic scholar and musician writing fifty years after Charlemagne's death. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Epic of Gilgamesh Houghton Mifflin Harcourt

The text of this edition of *Beowulf* is based on the highly regarded Donaldson prose translation of the Anglo-Saxon epic poem.

Beowulf John Wiley & Sons

A stunning experimental translation of the Old English poem "Beowulf," over 30 decades old and woefully neglected, by the contemporary poet Thomas Meyer, who studied with Robert Kelly at Bard, and emerged from the niche of poets who had been impacted by the brief moment of

cross-pollination between U.K. and U.S. experimental poetry in the late 1960s and early 1970s, a movement inspired by Ezra Pound, fueled by interactions among figures like Ed Dorn, J.H. Prynne, and Basil Bunting, and quickly overshadowed by the burgeoning Language Writing movement. Meyer's translation -- completed in 1972 but never before published -- is sure to stretch readers' ideas about what is possible in terms of translating Anglo-Saxon poetry, as well as provide new insights on the poem itself. According to John Ashberry, Meyer's translation of this thousand-year-old poem is a "wonder," and Michael Davidson hails it as a "major accomplishment" and a "vivid" recreation of this ancient poem's "modernity."

Beowulf and Other Stories Everyman Paperback

The Epic of Gilgamesh is the world's oldest epic masterpiece.

Early Christian Lives Courier Corporation

Beowulf & Other Stories was first conceived in the belief that the study of Old English – and its close cousins, Old Icelandic and Anglo-Norman – can be a genuine delight, covering a period as replete with wonder, creativity and magic

as any other in literature. Now in a fully revised second edition, the collection of essays written by leading academics in the field is set to build upon its established reputation as the standard introduction to the literatures of the time. *Beowulf & Other Stories* captures the fire and bloodlust of the great epic, *Beowulf*, and the sophistication and eroticism of the Exeter Riddles. Fresh interpretations give new life to the spiritual ecstasy of *The Seafarer* and to the imaginative dexterity of *The Dream of the Rood*, and provide the student and general reader with all they might need to explore and enjoy this complex but rewarding field. The book sheds light, too, on the shadowy contexts of the period, with suggestive and highly readable essays on matters ranging from the dynamism of the Viking Age to Anglo-Saxon input into *The Lord of the Rings*, from the great religious prose works to the transition from Old to Middle English. It also branches out into related traditions, with expert introductions to the Icelandic Sagas, Viking Religion and Norse Mythology. Peter S. Baker provides an outstanding guide to taking your first steps in the Old English language, while

David Crystal provides a crisp linguistic overview of the entire period. With a new chapter by Mike Bintley on Anglo-Saxon archaeology and a revised chapter by Stewart Brookes on the prose writers of the English Benedictine Reform, this updated second edition will be essential reading for students of the period.

Translated with Textual and

Explanatory Notes Penguin UK
 Marie de France (fl. late twelfth century) is the earliest known French woman poet and her *lais* - stories in verse based on Breton tales of chivalry and romance - are among the finest of the genre. Recounting the trials and tribulations of lovers, the *lais* inhabit a powerfully realized world where very real human protagonists act out their

lives against fairy-tale elements of magical beings, potions and beasts. De France takes a subtle and complex view of courtly love, whether telling the story of the knight who betrays his fairy mistress or describing the noblewoman who embroiders her sad tale on the shroud for a nightingale killed by a jealous and suspicious husband.
