You Don't Belong To 'a Lost Generation'! It is unfortunate that today's young adults and teens have been labeled 'a lost generation'. To be young, in the eyes of popular media, is to be lost. But this does not have to be the case. Reflecting on their life experiences and the honest questions they have been asked by teenagers and young adults, Joseph and Anu share practical and biblical wisdom on the complex everyday challenges that

young Christians face. Subjects covered include: personal development, hearing God's voice, sex and sexuality, parent-youth relationships, faith, integrity, fun, marriage, managing weaknesses, prayer, pioneering, time and money management — to mention but a few. Each day's reflection is accompanied with practical tips on applying the message and a prayer. These reflections have already helped thousands of millennials realise that they are young but not lost; they are young and found in Christ. It is the authors' prayer that this becomes the testimony of everyone who reads this. *Connecting With God* HarperCollins Christian Publishing
