When writing the "History of the Reformation in the Sixteenth Century", author's intention was not to write the history of a religion, but that of one of the greatest revolutions which had taken place among men. Therefore, this is the history of that mighty impulse which was given to the world five centuries ago and the influence of which is still everywhere perceived. The history of the Reformation is different from the history of Protestantism. The history of Protestantism might interest none but Protestants; the history of the Reformation is for all Christians or rather all men.

In *Souls under Siege*, Nicole Archambeau explores how the inhabitants of southern France made sense of the ravages of successive waves of plague, the depredations of mercenary warfare, and the violence of royal succession during the fourteenth century. Many people, she finds, understood both plague and war as the symptoms of spiritual sicknesses caused by excessive sin, and they sought cures in confession. Archambeau draws on a rich evidentiary base of sixty-eight narrative testimonials from the canonization inquest for Countess Delphine de Puimichel, which was held in the market town of Apt in 1363. Each witness in the proceedings had lived through the outbreaks of plague in 1348 and 1361, as well as the violence inflicted by mercenaries unemployed during truces in the Hundred Years' War. Consequently, their testimonies unexpectedly reveal the importance of faith and the role of affect in the healing of body and soul alike. Faced with an unprecedented cascade of crises, the inhabitants of Provence relied on saints and healers, their worldview connecting earthly disease and disaster to the struggle for their eternal souls. *Souls under Siege* illustrates how medieval people approached sickness and uncertainty by using a variety of remedies, making clear that "healing" had multiple overlapping meanings in this historical moment.

The long-awaited companion volume to Gail Coffler's first book, *Melville's Classical Allusions*, has finally arrived. In this new volume, thousands of references to Judeo-Christian and other religions in Herman Melville's books are references. The index includes references to all of his novels, short stories, poetry, lectures, letters, and journals. With it, one can trace a given allusion through the entire canon, or research any individual work, such as *Moby Dick*, *Billy Budd*, or *Benito Cereno* from beginning to end. Readers interested in Melville's writing and philosophy as well as researchers of 19th century literature, culture, and religion will appreciate this book. This volume begins with a master index that lists all religious allusions and their location throughout Melville's works. Next, there is an alphabetical index and a sequential index of all allusions in each of the individual volumes. The sequential index lists allusions in their chronological page order and identifies many bible passages alluded to or quoted by Melville, citing the bible book, chapter, and verse. A supplementary index alphabetically lists the allusions in Melville's *Correspondence and Journals*. The book concludes with a glossary briefly explaining all allusions and gives cross references to related entries.

Written in the 1840's, this book was long recognized as the finest biography of Martin Luther available. As well as containing remarkable insights into the man, Martin Luther, this volume also presents a survey of the ecclesiastical, political, and social events leading up to the Reformation, the atmosphere in which it took place, and the part played by men like Luther. The Life and Times of Martin Luther is a masterly portrayal of the motives, beliefs, and actions of one of the men God used to break the chains of Rome in the sixteenth century. His words and life still speak to us today.

The Pagan or Witch Elder is a leader who has lead by example, and teaches their wisdom to those that will listen, they have cleared the path for those to follow. We must remember and know who these Spiritual and Magical Warriors were and are, some who are still fighting in the world for our acceptance and understanding. This book is filled with hundreds of Elders (some known and some not well known) who stood tall and fought the establishment with compassion and strength, endurance and wisdom, courage, and determination, to share an ancient knowledge that has been awakened by them in the 21st century. I write this book so that our Pagan community remembers and knows who these brave Spiritual Earth Warriors were and are, and what they have given, sacrificed, and shared for the future of our world. This book is to honour all our Elders, so they are never forgotten and always honoured. MERRY WE MEET, MERRY WE PART, AND MERRY WE MEET AGAIN!
