Report of the Public School Teachers' Retirement Salary Fund Board ... for Ten Years August 10, 1913, to June 30, 1923

Nearly a million teachers will reach retirement age in the next 9 to 11 years. This report presents a complete state-by-state overview of the retirement programs available to America's teachers. Chapter 1 presents the issues of teacher aging, retirement, and early retirement and asks how school districts might effectively manage the retirement and replacement of teachers. Chapter 2 surveys retirement plans in the 50 states and provides information on how to calculate a teacher's pension, with relevant data by state. Chapter 3 looks at local and state programs to entice teachers to retire early. Empirical methods are used to assess the effectiveness of various plans. Case studies of early retirement incentive plans in six districts show how these plans work. Based on conclusions drawn from these data, school officials are advised on how to create, implement, and evaluate an early retirement program. Chapter 4 calls for a national task force on teacher retirement and argues that the future of the teacher retirement system depends on resolving six related issues: (1) threatened financial viability; (2) lack of consistency between local and state policies; (3) lack of portability of plans; (4) lack of system flexibility in investment and withdrawal of funds for teachers; (5) lack of control by teachers as individuals and as a group; and (6) lack of equity among teachers in various districts. From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical

guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Report of the Teachers' Retirement Board to the Governor*
