this before.
One day, she
suddenly can't

the reason is
standing right

and weirdly
good-looking:
A.J. But it
turns out A.J.

Gracie but
Gracie's
beautiful best
friend, Sienna.
Obviously
Gracie is

happy for Sienna. Super happy! She helps Sienna compose the best texts, responding to A.J.'s surprisingly funny and appealing texts, just as if she were Sienna. Because Gracie is fine. Always! She's had lots of practice being the sidekick, second-best. It's all good. Well, almost all. She's trying. Funny and tender, Well, That Was Awkward goes deep into the heart of middle school, and finds that

even with all the heartbreak, there can be explosions of hope and moments of perfect happiness. *Kiss Me Again* HarperCollins Invited to sit at the popular table with a group of new friends she has dreamed of joining, Truly is caught in a web of lies, misunderstandings, agendas, accusations and worse, in a story told from the perspectives of six narrators. By the author of

Wonder. Simultaneous eBook. **Bad Best Friend** HarperCollins Sydney Taylor Award-winning novel Berlin Boxing Club is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue.

But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never

had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of

harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.

Harper Collins "Colt isn't going to know what hit him," Luke Brennan teased when Colt first met Carly. That was the understatement of the year. Sometimes a kiss is just a kiss... Colt Brennan is a sweet, shy cowboy who has spent his life working the family ranch in

Montana. He's never given a thought to doing anything different until the vivacious Carly Stevens comes along and steals his heart. Everyone warned him that Carly gets bored with her men easily, but Colt doesn't believe it's true. Once their relationship goes beyond a few stolen kisses, he's sure that Carly is the woman for him. On Carly's invitation, Colt leaves everything

behind to move to Seattle and live with her. But sometimes a kiss is just a kiss, and although he wants much more with Carly, he finds her slowly pulling away, leaving him confused. And then there's Beth. Colt feels an instant connection with Carly's roommate, Beth Owens, and is intrigued by her quiet kindness and inner strength. Beth is the one to bring a smile to his

face and warm his heart when all his life plans goes awry. As time goes by, Colt finds himself caught between the woman he thinks he loves, and the woman he feels a deep connection to. Who will be the woman who steals Colt away with just one kiss? [A Taxonomy of Love](#)

A hilarious new novel from Elizabeth Eulberg about taking the wall out of the wallflower so she can bloom. Don't

mess with a Girl with a Great Personality. Everybody loves Lexi. She's popular, smart, funny ... but she's never been one of those girls, the pretty ones, who get all the attention from guys. And on top of that, her seven-year-old sister, Mackenzie, is a terror in a tiara, part of a pageant scene where she gets praised for her beauty (with the help of fake hair and tons of makeup). Lexi's sick of

it. She's sick of being the girl who hears about kisses instead of getting them. She's sick of being ignored by her longtime crush, Logan. She's sick of being taken for granted by her pageant-obsessed mom. And she's sick of having all her family's money wasted on a phony pursuit of perfection. The time has come for Lexi to step out from the sidelines. Girls without great personalities aren't going to

know what hit them. Because Lexi's going to play the beauty game -- and she's in it to win it. *If We Kiss* Simon and Schuster Rachel Vail's powerful middle-grade novel proves once again that no one does tween better than she does!
